

Key Priorities 2017-2018

Ethos: To utilise the fundamentals of our Christian ethos to recognise and celebrate the diversity of God's world.

- To close the gap for the most vulnerable groups of children (SEN, PP and EAL) by using accurate data effectively.
- To provide high quality CPD to raise standards in teaching and learning, to increase the percentage of children achieving greater depth.
- To improve quality of curriculum provision, ensuring pupils progress across **all** the curriculum.
- To ensure a high quality holistic experience for all pupils; outdoor learning, lunchtimes and outdoor recreation.
